EIGHTY-SEVEN WILL GRADUATE FROM D.C. GRAMMAR SCHOOLS

Eighty-seven students of the Jefferson School District will be graduated this Friday, June 20, from the Jefferson, Woodrow Wilson and Crocker Schools. The graduation exercises will be held at 8 p. m. in the Jefferson Union High School auditorium.

Student speakers during the exercises will be Kathleen Johnson, of Jefferson School, who will talk on "Our American Heritage"; Lona Biggs, of Woodrow Wilson School, whose topic will be "Education Today"; and Joan Turanjanin, of Crocker School, who will speak on "Accent on Youth."

During the evening, Kenneth Willbanks will sing "Little Mother of Mine" and "Smiling Through." The glee clubs will sing "Merry June," "Barcarolle," and "Good Bye." The orchestra will play the overture and the graduation march.

R. L. Crane jr., district superintendent, will present diplomas to the following students:

A special registration day for "Day Camp" is announced for Saturday, June 21, for the convenience of Scouts and Brownies who plan to attend Daly City's Scout Camp, Camp Matrup. Registrations will be accepted at the Scout House, 101 Parkview, and the Peoria Street Scout House, both of which will be open from 9 to 12 and 1 to 3.

Registration forms should be filled out, signed by parents and accompanied by registration fee. Sign up early as registration will be limited.

Registrations may be sent through the mail to the Day Camp Registrar, Mrs. C. Hale, 599 Crocker avenue, Daly City 25, and request is made that the fee be paid by either check or money order.

Friday The 13th Traffic Accidents Injure Fourteen

Last Friday the 13th was unlucky for some 14 persons who were hurt in San Mateo county traffic accidents.

Broken bones were the most serious injury with six San Francisco residents hurt in a two car crash on the Coast highway at San Pedro road.

Two San Francisco Junior College students suffered minor injuries when their car ran into a bank on Skyline boulevard north of Skyanda.

Other accidents occurred on Crystal Springs road and on the Bayshore highway.

One traffic victim, who said he was "looking the other way," was hurt in front of Mills Memorial hospital in San Mateo. He is now recovering from a broken leg in the hospital.

Daly City Band Wins First Prize At Benicia Parade

The Daly City Band won first prize at the Benicia centennial parade last Sunday in a competition against seven bands, two of them professional municipal bands. Most of the bands were from high schools in the East Bay. The two professional bands were the municipal bands of Pittsburg and Richmond.

The local band received a gold trophy of a drum major which will be displayed at the McGraw Pharmacy next week.

George E. Brenner, director of the Daly City Band, said today that the Benicia parade was very well organized and many fine floats and drum corps were competing for honors. The centennial celebration at Benicia lasted three days.

"We have the best marching band on the coast," Brenner said. "It is a band any community would be proud of and seems to be winning every top honor in the competitions they enter."

The next competition which the Daly City band will enter will be the Napa County Fair on August 23 and 24.

Brenner is hoping to enter the band in the State Fair at Sacramento in September. The fair, which will be the first since the war began, is scheduled to feature bands from all over the state competing for top honors. So far plans for the bands are in the tentative stage and bids have not been sent to the various top state bands, but Brenner is hoping that the Daly City Band will receive a bid.

Members of the band participating in the Benicia competition were:

Clarinets—Ernie Thompson, Ray Allen, Ronald Schmidt, Joe Carille, Hartley Postlathwaite, Arthur Luffenberger, Fred De Scala, Dan Regan, Bill Freeman.

Flute—Ian Patterson.

Trumpets—Gonzale Villas, Robert Schaefer, Norman Sutter, Rudy Renzi, Don Wall, Bert Dallaha, Bob Peradi.

Bassoon—Galen Lee.

French horns—Barbara Rolland, Jim White.

Baritone—Arthur Schembria, Ray Simmons.

Trombones—Walter King, John Davis, Vernon Olson, Robert Johnson, Henry Przibouriski.

Basses—Ben Imprescia, Henry Nebolt, Ronald Bertucci.

Drums—T. E. Camp, Arthur Welford, Walter Lauer.

Drum major—Tipton Bankd.

Majorette—Laraine Matulich.

President Trixie Benson also accompanied the band.

TAKEN INTO BROWNIE TROOP

Nine-year-old Esther Larson is shown looking into a mirror during her recent investiture into Brownie Troop No. 7. The mirror was used during the ceremony when little Esther said: "Twist me and turn me and show me the elf, I looked in the pool and saw myself." Esther was taken into the Brownie troop at her home at 462 Bellevue avenue, because a hip injury has confined her to a wheel chair for one year. After the ceremony Esther was presented a Brownie uniform complete with dress, hat, socks, handkerchief and ring from the other members of the troop. Esther before her injury was a student at Our Lady of Perpetual Help school but is now studying at home.

Present at the investiture were Mr. and Mrs. Noble Larson and their other two daughters, Evelyn and Mary; the leaders and co-leaders of Brownie Troop No. 7: Mrs. Dorothy Kramer, Mrs. Wanda Michelsen and Mrs. Bessie Runge, and the following Brownies: Adalia Bautista, Carolyn Colby, Joan Dunne, Judy Dunne, Lu-Ann Eliassen, Janet English, Sally Sue Engstrom, Virginia Giacchino, Sharon Hancock, Gladys Knino, Linda McArdle, Patricia Michelsen, Evelyn Rinaldo, Dolores Rodriguez, Margaret Runge, Lynn Shreve, Sandra Taylor and June Verdoia.

Refreshments were served by Mrs. Noble Larson, who made Brownie cake decorations. The table was decorated with brown and yellow.

Three Automobile Collisions In D.C.

Damage was slight in most of the auto accidents within Daly City during the past week.

The most serious accident took place at the corner of Market and Mission streets last Saturday evening. David Porter, of San Bruno, and Charles Barger and Arthur Sasinger, both of San Francisco, were involved in the accident which caused a few scraped fenders.

Herman Williams, of 6848 Mission street, will face a hearing tomorrow as a result of an accident on Saturday afternoon in front of 7232 Mission street. Williams is charged with a violation of section 502 of the C.V.C.

On Sunday afternoon cars belonging to Philip Tunminello, of 227 Anderson street, and George Kirchoof, of 1823 32nd avenue, San Francisco, hit each other in front of 100 Los Olivos avenue but damage was slight.

TEEN AGE CLUB WILL BE OPEN THIS SUMMER

The Daly City Teen-Age Club, on Bellevue avenue, will be open every Friday evening from 7:30 p. m. to 10:30 p. m. during the summer. New records have been promised at least every three weeks.

New ideas for varying types of dances such as a barn dance, a folk dance and a "swank" dance are now being discussed and many new improvements are expected. Dancing lessons will be given on Fridays before the regular dance begins.

New officers will be elected next Friday, June 26. Club membership is open to anyone between 13 and 19 years of age who lives in the Jefferson School district. Membership cards may be obtained at the door of the old number 5 firehouse on Bellevue avenue near Oliver street any Friday evening for 25 cents. The membership must be renewed each month.

The club features ping-pong, checkers and dancing and is sponsored by the Daly City Recreation Department.

THIRTY-NINE ARE GRADUATED AT O.L.P.H. SCHOOL

Thirty-nine students were graduated from Our Lady of Perpetual Help School last Friday, June 13. The graduates included 18 boys and 21 girls.

The distribution of diplomas and awards was made by Father James Bergin, pastor. The sermon was delivered by Father William Stewart, assistant pastor.

A four year scholarship to Our Lady of Victory High School was awarded to Mary Lou Morris. The general excellence medal, donated by Father Bergin, was awarded to Carol Davis. The religion medal, donated by the Catholic Daughters of America, was awarded to Robert Gross and Arlene Reardon.

Mary Hanley received an award given for eight years of perfect attendance. Special traffic awards were given to Robert Gross, Coleman Lee and Neil Cook. Other traffic awards were given to Thomas Kemnitz, Frank Korhummel, Donald Woodard and James O'Connell.

The graduates marched into the church as "Rex Regnum in Splendor" was played. The hymn, "Our Lady of Good Council," was sung by the junior and senior choir, followed by the benediction of the blessed sacrament.

Members of the graduating class were:

Ralph Anderson, Victor Baher, Ellamay Baumgardner, Helen Bendik, Dorothy Boyle, Neil Cook, Richard Corby, Terry Cunningham, Carol Davis, Angeline Firpo.

Toni George, Robert Gross, Patrick Hamilton, Mary Hanley, Joan Heinen, Eleanor Heinzl, Thomas Kemnitz, Dolores Koff, Frank Korhummel, Gary Larson.

Toby Larson, Richard Leahy, Coleman Lee, Jack Looper, Joseph Menicucci, Mary Lou Morris, Marilyn Mullin, Beverly Nagle, James O'Connell, James Petty.

Arlene Reardon, Margaret Rosa, Joan Romiguere, Barbara Shipman, Richard Sims, Evelyn Torres, Robert Varni, Robert Vernengo, and Donald Woodard.

Holy Name Society Postpone Picnic

The Holy Name Society of Our Lady of Perpetual Help church will hold its picnic on July 27. The picnic was originally scheduled for June 8 but was postponed to a later time because of inclement weather.

The picnic is open to all members of the parish and will be held as originally planned at Oak Grove Park in San Mateo.

Ladies Night And Installation For Local Lions Club

Wednesday evening, June 25, will be a big time for members of Daly City - Colma Lions Club. It will be "Ladies Night" and installation of officers for the new term. The affair will be held at the Club Casino on Mission street.

Only once a year do the Lions hold such an event as "Ladies Night" and then the big entertainment of the year takes place. A sumptuous banquet, fun, frolic and a fine program make the evening one long to be remembered.

New officers to be installed are: Stanford Hannah, president; Walter Lehigh, 1st vice president; Dr. Herbert E. Grieb, 2nd vice president; Arnold Panella, 3rd vice president; Richard Crane, secretary; John Ferrari, treasurer; Elio Fontana, tail twister.

IT DOESN'T HAPPEN EVERY DAY, HE SAYS

I. Cameron, of 138 Vista avenue, made a hole in one while playing golf at Shale Park this week. He was playing golf with Pete Conci, owner of the Conci Service station in Daly City, and George Gossman, of Rockaway Beach. Cameron's perfect hole in one was quite a feat and was made on the 16th hole.

Supervisors Adopt Record Budget For Fiscal Year '47-'48

The record county budget of \$6,532,583.50 for 1947-48 was adopted by the board of supervisors last Tuesday. The budget is an increase of some \$200,000 more than the preliminary proposal.

A new county tax rate of \$2.35 was predicted by A. O. Lefors, staff member of the California Taxpayers Assn. of Los Angeles, during the budget hearing. Last year's basic tax rate was \$1.76 per \$100.

Another objector to an increased budget was Winfield Scott, secretary-manager of the Civic League of San Mateo county. He charged that the board members were not good business men and had not properly trimmed the department requests.

Some of the new requests were \$66,000 for a water system for the proposed new juvenile home and \$20,000 for a new child guidance clinic.

The guidance clinic especially irked Scott, who said the board should set up a "parent clinic" because "modern parents are running around like wildcats." He also rapped the board for providing soil conservation in the Colma Creek area, and for using San Francisco salaries as a guide for county salaries in San Mateo.

However, some of the board members asked Scott for more constructive criticism and wondered why he did not make his objections earlier, while the board still had time to study them.

COUNTY TAXES STILL GOING UP

San Mateo county government cost \$3,471,265 for general governmental purposes for the year ending June 30, 1946, the last completed fiscal year, California Taxpayers' association said today.

Biggest item of county expenditure was \$1,499,840 for charities and corrections. Expenditures for general government amounted to \$553,256, for protection to persons and property \$410,252, for health and sanitation, \$294,318, for highways and bridges \$392,840. Remainder of the county's payments for general government costs went for recreation and miscellaneous items.

Over the state as a whole, the counties spent \$244,028,291 during fiscal 1945-46, the Taxpayers' association said.

In 1946, 1,220 Americans were killed and 85,000 injured in accidents involving automobiles which were turning left at the time of the accident. Know your hand signals—and use them!

Fight Continues On Change Of T.B. Facilities

A fight continues over whether to move the county's tuberculosis facilities from Canyon Sanatorium to Community Hospital in San Mateo.

The board of supervisors recently decided to make the change but last week at a special meeting, Gilbert D. Ferrell, district attorney, said, in his opinion, the move would be illegal.

He said the voters last November approved a \$125,000 bond issue to improve the Canyon facilities and to move the equipment elsewhere would be against the people's mandate.

Organized labor is divided over the issue. The AFL Central Labor Council claims they were "hoodwinked" by the board's decision, while Albert H. Randell, head of the Builders and Contractors Trades Council, calls for a "stop in the wrangling" and a "go ahead with construction at Community Hospital."

New Chevrolet Trucks Displayed At Belli Motors

The new Advance-Design line of Chevrolet trucks and commercial cars will be shown to the public June 28 at 7400 Mission street it was announced today by Belli Motor Co.

"All over the nation on that date, Chevrolet dealers will be exhibiting the new trucks," M. John Soldavini said. "We are having a special showing and cordially invite truck owners, fleet operators and others interested in trucks to visit our showrooms."

Advance information on the trucks, Soldavini said, indicates that the line will be the most comprehensive in the history of Chevrolet and will feature driver comforts and conveniences not heretofore available in motor trucks.

"For the first time in the history of the automotive industry, a truck has been designed which has as a basic concept the comfort and safety of the driver," Soldavini said. "We predict that the result will have the complete endorsement of truck owners and drivers."

Re-styled and precision-engineered, the Advance-Design line of trucks provides an efficient, dependable, safe and low-cost unit for practically every type of hauling and transportation requirement.

The display at the Belli Motor Co. will open at 8 a. m. and close at

Mr. & Mrs. Lugliani Celebrate Wedding Anniversary

Mr. and Mrs. Anthony Lugliani, of 300 San Diego avenue, celebrated their 16th wedding anniversary last Saturday by entertaining 23 guests with an evening of dinner-dancing at the Lido in San Francisco.

The tables were decorated with pink carnations, baby roses and candles. Corsages were presented to the ladies.

Guests of the occasion were Mr. and Mrs. Henry Seiler, Mr. and Mrs. August Seiler, Mr. and Mrs. Albert Harman, Mr. and Mrs. Amos McWilliams, Mr. and Mrs. Lawrence Lapadura sr., Mr. and Mrs. William Webb, Mr. and Mrs. Frank McWilliams, Mrs. Gladys Bacigalupi, Mrs. Birdie Klos, Miss Pauline Lugliani, Miss Lee O'Berg, Miss Sue McCullar, Leo Lugliani, Bob Seiler, Allen Seiler, and Lawrence Lapadura jr.

Lugliani is owner of the City Soda Works in San Francisco.

Post-War Crime Wave Increasing Says FBI Speaker

The cooperation of all private citizens, both young and old, is needed to combat the rising post-war crime wave, which is costing this country more than \$17 billion a year, Special Agent H. C. Van Pelt, of the San Francisco FBI office, declared at a student assembly at the Burlingame high school last week.

"All too many of our people are shrinking their individual responsibilities as citizens by failing to vote, by avoiding jury service and by neglecting to report possible violations of the law," he said.

Van Pelt said that 1,685,203 major crimes were committed throughout the nation last year, or a serious offense every 18.7 seconds.

"This means every day on the average 254 persons were killed, assaulted or attacked; 172 persons were robbed; 630 cars were stolen; 981 places were burglarized; and 2580 thefts were committed," he added.

July 4 Rodeo At Redwood City

Redwood City and nearby communities "go western" this week end as "dress-up days" begin in preparation for the Fourth of July Rodeo and Celebration to be held there July 4-6. Stores and streets were gayly-decorated.

By official action of the city council, proper garb to be worn at the annual steak barbecue at Flood Park Saturday night, June 21, and until after Independence Day will

S.M. Jaysee To Graduate 208 At Friday Exercises

With Paul C. Smith, editor of the San Francisco Chronicle, as main speaker, San Mateo Junior College will graduate 208 high sophomores at its 25th Commencement this Friday morning at Woodland theatre in Hillsborough. The program, starting at 10:30, is open to the general public. Music by the college orchestra and a cappella choir, and the presenting of numerous scholarships, awards, and prizes by President Charles S. Morris are all included on the program.

Just prior to the exercises the graduating class will have a class breakfast at the Hotel Benjamin Franklin, while Friday evening the class and friends will dance at the Soph Formal at the Fairmont hotel in San Francisco.

The graduates this year are representative of the entire county, the class leader, Bob Shotwell, for example, coming from Redwood City.

The college students have been delighted to hear that the Maritime school at Coyote Point will be ready for their use next semester, as needed room will be available, and the junior college will have a swimming pool and large cafeteria, two things that have been desired right along. Under the new set-up the college will be making use of three campuses and can enroll additional students.

The graduates from Daly City were Beatrice M. Bordson, January; George Ciarlo, John J. Lee, Anita M. Lehigh, Isobel Schioldager, William Charles Tallmadge, June.

Instructions In Swimming Begin Monday, June 23

Next week is "Swim for Health Week" across the country and here in Daly City it will be "Learn to Swim Week."

Elman J. Rose, director of the City Recreation Department, has scheduled swimming instruction to begin on Monday.

The purpose of the week is to increase the number of persons participating in the sport and recreation of swimming. But Rose said today that specific attention will be directed to instruction to help cut down the number of tragic deaths by drowning.

Martin Stern, executive director of the National Swim for Health Association, says: "We must constantly publicize the dangers of swimming in unprotected waters, particularly in abandoned quarries. We must use every means at our command to bring to the attention of the children, as well as to the adults, the value of swimming to health in safety at pools and beaches guarded by qualified American Red Cross life guards."

Swimming instruction will be held in the mornings by registration only, starting Monday.

Spectators are not admitted during the morning classes except on special days announced to the students. In the afternoon and evening, spectators are invited and may watch without charge.

Swimming instruction will be held in the mornings throughout the summer. The first series of instruction, from June 23 to July 1, is now closed with an enrollment of close to 150.

Registration for the second series, which will meet on Mondays, Wednesdays and Fridays from July 7 to August 1, will close this week end.

The third campaign will meet on Tuesdays, Thursdays and Saturdays from July 8 to August 2. Registration will close on June 25 for this class.

The ladies class will start July 9 and will be held from 7 to 7:30 p. m. each Wednesday evening until September 10.

Registration for the classes may be made at the swimming pool office every week day evening from 7 to 9:30 p. m. The office will also be open the week of June 23 to June 27 in the afternoon from 2:45 to 4:30 for registration for the third campaigns.

Swimming instruction for the classes starting on Monday will be: 8:30 and 9, non-swimmers 8 to 10 years of age; 9:30, novices able to swim 10 to 40 feet; 10, non-swimmers; 10:30, learners, able to swim 40 to 150 feet; 11, non-swimmers 11 years of age and up; 11:30, intermediates, able to swim over 150 feet and life saving instruction.

Lubricating Old Cars

Older cars should be lubricated more frequently than when they were new, contrary to the opinion of a majority of motorists, states the National Automobile Club. That is because wear has reduced the lubricant retaining ability of the various bushings and bearings of the chassis.

Automatic Fly Control

Electric screens have been devised for automatic fly control, in designs to fit any door or window.

End Of School Term Brings Treat For Pershing Kiddies

There will be messy faces and sticky hands coming home from school on Thursday, June 19. But don't worry, mothers. That will be the remnants of the General Pershing PTA ice cream treat to all the children to celebrate the end of the school term.

The graduating class has been honored all week. They have worn their school colors, blue and gold ribbons, to distinguish them from all others. The PTA furnished the ribbons. Invitations to a PTA sponsored movie party at the Daly City Theatre for Saturday, June 21, have been issued to the graduating class. The party will be chaperoned by Mesdames Lee Colby and Leonard English. An afternoon of cartoons and a Bob Hope movie should make a farewell party the graduates will always recall with a chuckle.

Gen. Pershing P.T.A. Will Picnic At San Mateo Park

With lunches packed and small fry in tow, they'll be off to an early start. Who?—The General Pershing PTA mothers. When?—Tuesday, June 24. Why?—For the annual picnic. What's this all about?—FUN! And fun there will be too, with dodge ball, square dancing, and plenty of sunshine and food.

All picnickers are asked to meet at the corner of Templeton and Irvington streets at 9:30 a. m. next Tuesday. Rides will be provided for as many as possible. The No. 40, San Mateo car line ends just a few blocks from the San Mateo Park so those who ride the inter-urban will have an appetite worked up. At the end of the line just ask for directions to the park.

So pack your lunches, get on your picnic shoes and join the fun next Tuesday, June 24, at San Mateo Park.

Mrs. Elsie Cuming Passes Away

Mrs. Elsie M. Cuming, 56, a native of Michigan but a resident of California since 1916, passed away at the Children's Hospital in San Francisco after a short illness on Wednesday. She lived at 149 Flournoy street.

Mrs. Cuming, a former post office clerk, was the wife of the late Herbert W. Cuming. She is survived by her daughter, Mrs. Margaret Lloyd, of Daly City; two sisters, Mrs. Agnes Cook, of San Luis Obispo, and Mrs. Amy Yates, of San Bruno; one brother, Gordon MacKenzie, of Daly City; and two

Ladies Home Club Locale For Shower Tuesday Evening

Honoree at a stork shower on Tuesday evening, June 17, was Mrs. Virginia Rodondi, who resides at 205B Maple avenue, South San Francisco. She is the daughter of Mr. and Mrs. Leon Fellman, of Daly City.

The Ladies Home club on Werner avenue, the appointed place for the affair, was decorated throughout in pink and blue streamers. Virginia was given a pink and blue carnation corsage. The buffet refreshment table was centered with a cradle surrounded with favors made in the form of diapers. The rest of the table was literally filled to capacity with delicious refreshments prepared by the hostess and her daughter, Mrs. Mary Fellman and Barbara. Included was a delicious cake decorated with "Happy Landings, Mr. Stork."

Some forty guests were gathered at the club to witness Virginia open the many dainty and useful gifts presented her. Present were Mesdames Margaret Varni, Olga McKinnin, Evelyn Smith, Nellie Riccomi, Palmera Ricci, Catherine Wight, Bertha Grady, Fredericka Volkman, Lizzie J. Atkinson, Mary

grandchildren, Herbert and Arthur Lloyd.

The funeral will be held tonight at 7 p. m. at the Lasswell Mortuary, 6154 Mission street. Interment will be tomorrow afternoon in Auburn, California, with the Rev. William Harberts, of the Grace Presbyterian church, in Daly City, officiating.

S.M. Jaysee Budget Tops Million Mark

The San Mateo Junior College budget now tops one million dollars for the first time in history. A preliminary budget submitted last week by President Charles S. Morris was \$1,149,373, an increase of 61 per cent over the current year.

The budget, which boosts every step in the instructor pay scale \$840, is still subject to cuts by the administration and the board before public hearings in August.

The budget is based on additional veteran enrollment, a 35 maximum tax rate and promised state funds.

The new salary scale for the college instructors is from \$3540 to \$5280 plus extras for graduate degrees or department rank.

May, Helen Farras, Erma Kuta, Evelyn Smith, Marguerite Kaus, Isabelle Liberti, Irene Moresco, Elsa Riccomi, Helen Lillis, Marie Scholtz, Bell Van Devort, Kitty Lawless, Dora Morton, Helen Holcomb, Hortense Jensen, Lorraine Franke, Rebecca Volkman, Wilma Schmidt, Helen McKinnin, Angela Schmidt, Genevieve Baldwin, Mary Aguillar, Perina Rodondi, Mary Fellman, Janet Fellman, Elsie Cloney, Thelma Loskay.

Your New ELECTRIC REFRIGERATOR

... how to select it!

SOON you will be able to get delivery on the particular make and style of electric refrigerator you have been waiting for. But regardless of what refrigerator you buy there is ONE MOST

IMPORTANT question you should ask. That question is—"What size should I buy?" • To fit the size of electric refrigerator to your family's needs follow these simple rules. First of all, allow 2 cubic feet for each member of the family—an 8-cubic-foot refrigerator for four. Allow more room, too, if you have several children who need lots of milk. If you eat three meals a day at home or entertain quite a bit, that also calls for plenty of space. Finally, remember your old refrigerator which did not have that extra space for a watermelon or the turkey carcass. • You will find that the new refrigerators in larger sizes give you greater value, greater usability and lower operating cost.

Remember the first frozen food you tried? It was probably a package of peas and you exclaimed with delight when you saw their garden-green color and later enjoyed the garden-fresh flavor. Today there are dozens of fine frozen foods and many more delights are yet to come. You will be buying them. You will be freezing your own fruits and vegetables. Right now you can see many fine home freezers on display in stores. Plan to buy and use one in your home this year.

Friday The 13th And Bum Check Go Hand In Hand

Friday the 13th proved to be an unlucky day for H. E. Palmer, of 149 Gambetta street. He sold his 1940 Packard sedan to a man who said he was E. W. Collins and received a check for \$1,000. But the check was no good. To make matters worse, Palmer already had signed the pink slip and did not know the motor number of the car he had sold.

However, Palmer has identified a photograph of 24 year old, 6 foot Thomas Jerome Nutting as the man who bought the car. Nutting is wanted by the San Francisco police for stealing cars.

An all points bulletin has been sent out for Nutting who is very slim, has black hair and weighs 160 lbs.

Swarm Of Hornets Calls Out Police And Fire Depts.

Everything was pleasant for Mrs. Kathryn Vittori as she was preparing supper at her home at 52 Miriam Street last Wednesday. But then along came a swarm of hornets and settled on the front window and kept buzzing around the room.

It was then that the Daly City Police and Fire Departments were called into action. Two officers—Sgt. Roland Petrocchi and Chief Elmer Kennedy—located a D.D.T. bomb and put a ladder up to the window of the Vittori home. Constable George Krehl climbed the ladder and, with complete efficiency, gassed the hornets.

The nest was then knocked down from the window. There were no casualties — no broken ladders or hornet stings — and everyone is happy now.

D.C. Merchants Take El Caminos By 3 To 0 Score

The Daly City Merchants won their eighth straight game last Sunday when they defeated the El Camino Club 3 to 0. The game was played at Marchbanks Park.

The score of the game was 0-0 until the beginning of the seventh inning. Schultz started the barrage with a single to center field. Sick came up with a double to right field and scored Schultz. Then Fred Lucia doubled to center and scored Sick. Fred Lucia scored all the way from second base on Sylvestri's sacrifice.

Fred Fazio, ace hurler for the Merchants pitched a shutout, and allowed only three scattered hits in the nine innings. He struck out nine batters out of 29 times at bat.

Next Sunday the local team plays Ray's Inn at Marchbanks Park.

Some Nervy Guy Just "Borrows" Car

A 1930 Studebaker sedan was briefly "borrowed" from Stuart L. Hail, of 531 Hanover street, last week end. The car was reported stolen from in front of Hail's home on Sunday night. Hail found the car the following morning on the Bayshore boulevard in the Geneva area.

Swimming Will Be Popular Sport During Summer

With warm weather with us this week and school already closed down for the summer, just about every youngster is planning on doing some swimming in the ocean, or the lake or at the pool at the high school.

Elman J. Rose, director of the city recreational department, says that the local pool will be open to the general public in the afternoons, Monday through Saturday from 2 to 4:30 p. m. The evening schedule is from 7:30 to 9:30 p. m. The pool will be closed on July 4 and 5 and on Saturday evenings, except by reservation.

News of Local Grammar Schools

Jefferson

In preparation for their Flag Day program which was held on Friday, June 13, seventh graders gathered some interesting facts and pictures. Members of the class gave reports on the growth of the flag, the traditional story of Betsy Ross, Francis Scott Key and the birth of our national anthem, and the proper ways to display our American flag. During this period of preparation, each student compiled the material into an interesting booklet. Faustino Quitevis and Jack Huffsmith worked on a very interesting and colorful mural, showing the development of the Flag as the United States gained in her territorial expansion.

Claudia Rowley, Leo Gianpachini and Kenneth Willbanks, eighth graders with a flair for art, combined their talents to produce a life-size, colorful poster, designed to intrigue the fancy of the "small fry" of the school. Posted in the primary section of the hall, it can be seen the length of the building. Immediately upper-grade students wanted "more of the same" but of a type to intrigue THEIR fancy. Result: Claudia, Leo and Kenny are aiming to please and each is producing a nice, large poster. Children are generous in their appreciation and praise of each other's work and it is a satisfaction to the artists to see their schoolmates stand in admiration before their contributions.

Crocker

The following H7 and L8 students were out of town visitors during the last week end:

Carolyn Salogga and Evelyn Madriago went to Montara.

Noreen Lack visited in Cupertino.

James Albera went to Point Reyes.

John Martino was in San Bruno. Mary Alice Coverdale went to Lake county.

Joan Clement, H7, took a trip to Princeton over the week end.

James Dowell, L7, went to Bak-ersfield.

The students of the high sixth grade were happy to welcome Bob Stone back to class.

All students are working hard toward promotion on June 20.

Larry Nofziger, H5, and his parents went to Crystal Springs golf course last Sunday.

Martin Verece went fishing and caught five fish.

Margaret Robertson, H5, visited Winchester Mystery House on the outskirts of San Jose.

Woodrow Wilson

The students of the L8 and H7 grades are on the last part of their conservation unit. This part, "The Conservation of Big Game," is interesting. Big game includes animals such as the moose, the peccary, the white-tailed deer, the antelope, the buffalo, and the bear. Many of these are unfamiliar, and the children take great interest in learning about them and the need for conservation.

The students of the L7 and H6 are now studying the colonial life of the English settlement.

They are now writing reports in which they are comparing the comforts and inventions of modern days with that of colonial time.

The boys and girls of the fifth grade are learning how the Colonists governed themselves and how the mother country, England, governed the early colonies.

The boys and girls of the sixth grade are studying about our western states. They have given many interesting reports on the various interesting things found in these states. They are especially interested in the State of California as it is their home state.

The fourth grade pupils are continuing their study of the gold rush to California. They are studying and drawing pictures of the different methods of getting the gold from the California streams and hills.

History Of The American Legion

By John Derungs

Rehabilitation

The American Legion has built up over the past 28 years a virtual "rehabilitation empire" for serving the nation's war veterans and their dependents, as compared to the giants of American industrial enterprises in business volume, personnel and smooth nationwide functioning.

The American Legion has used the same native American genius for organization that has developed this country's amazing productivity to shape its nationwide machinery for aiding all American fighting men and women. This machinery was created by the American Legion to assure that veterans and their families get their rights under the great structure of state and federal laws which it was instrumental in securing through its legislative efforts. It is estimated that American Legion-sponsored legislation has provided more than \$15,000,000,000 in various kinds of benefits for veterans.

Marvelous Organization

Declaring its service organization is "without parallel" Comrade John J. Derungs, Post publicity chairman lists the following highlights of The American Legion's vast rehabilitation network which is at the "free beck and call" of every veteran in the United States and its possessions:

Service outlets through nearly 16,000 posts.

A service officer at almost every whistle stop in the nation.

More than 30,000 trained service officers on the job daily.

All states organized by communities, districts and counties.

Legion representatives at all V.A. regional offices.

Legion staffs at all V.A. branch offices.

A national staff of 30 experts in Washington, D. C.

A force of 25 full-time paid field secretaries constantly checking on government services to veterans.

More than 28 years of know-how. An annual national rehabilitation budget of nearly \$400,000.

Many times \$400,000 spent each year by department, district, county and post organizations for rehabilitation services.

Five annual area school conferences for state rehabilitation leaders.

Annual state-school-conferences for post service officers.

Post Service Officers Job

The average American Legion post service officer is on the job to help all veterans and their dependents to file claims and obtain and assemble evidence in support of such claims. He has on hand the necessary forms to help a veteran file a claim for such benefits as disability compensation or pension, for hospitalization or out-patient treatment, for G.I. Bill loans, for G.I. educational subsistence allowances, for vocational training under Public Law 16, for unemployment compensation, for death benefits for widows, orphans and parents, for mustering-out pay, for terminal leave pay, for review of discharge

or release, for reinstatement and conversion of Government Insurance — all made possible through American Legion-sponsored legislation. He also can advise a veteran in regard to surplus property, veterans preference, employment and many other personal problems.

State Organization

In every state The American Legion has department service officers who supervise and work with the post service officer. The departments have their own service officers at every V.A. regional office, of which there are 65. When a post service officer completes a claim he passes it on to the department service officer for processing at the V.A. regional office and to make the necessary appearances on behalf of the veteran or his dependents before the V.A. rating board. The department service officer also prepares appeals for veterans not satisfied with the decision of rating boards.

National Organization

There are 13 V.A. branch offices and at each of them the national rehabilitation division of The American Legion has at least two qualified claims representatives. These representatives handle all death claims and National Service Life Insurance claims.

In Washington The American Legion has a staff of 30 experts made up of a national rehabilitation director, two assistant directors, a medical consultant, lawyers, specialists in veteran legislation, appeals representatives and claims reviewers.

The national director handles all matters of policy with the central

Knights Columbus And Blood Bank

The San Mateo Council Knights of Columbus is the latest county organization to build a credit reserve at the San Mateo County Blood Bank and is now enrolling members on a countywide scale to become blood donors. Members of the committee, recently named by John Kenneally, grand knight, include Miles Butcher, of Daly City.

Recently Palo Alto Council of the Knights of Columbus was enrolled as an organization member of the county blood bank in San Mateo, and the wife of one of the Palo Alto members drew on the bank when she was a hospital patient.

The various organizations are realizing more and more the importance of having reserve credits at the blood bank, which may be used to replace blood for transfusions for families of the members.

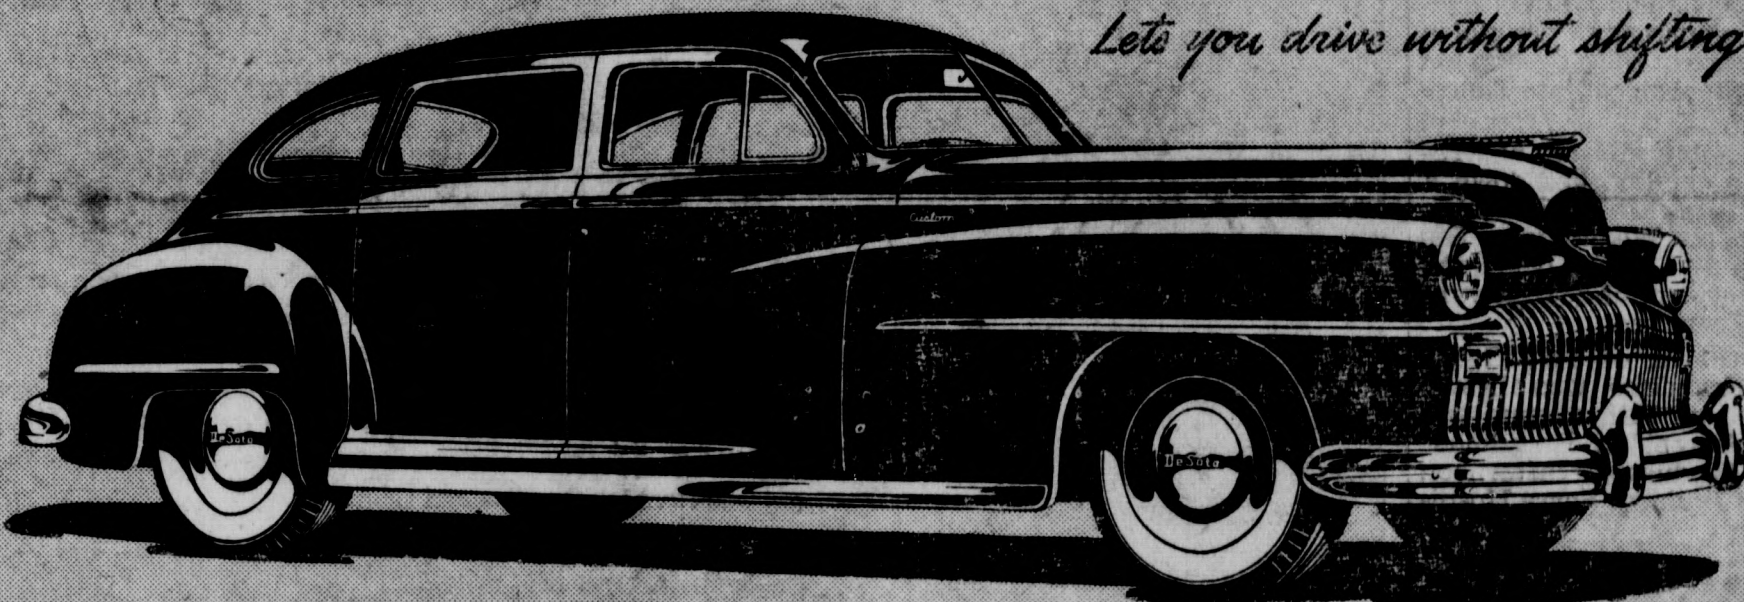

office of the Veterans Administration. Other staff members handle appeals received through channels from department service officers and make appearances before the board of appeals on behalf of veterans.

All this service is free.

In addition the national rehabilitation committee of The American Legion has such advisory bodies to help it as the medical advisory board, the insurance advisory board, the vocational training advisory board, a special committee to study the G.I. Bill of Rights and other helpful groups.

A SQUARE DEAL

OFF THE BLOTTER . . .

Accidents involving children took most of the time of the police department during the past seven days.

Seven year old Victor Mizzetti, of Route 1, Box 197, Colma, was cut on his head when he fell out of an automobile Saturday evening. Victor says the rear car door was only partly closed and as he got up to close it he fell out.

Three people were bitten by dogs during the week. Three year old Thomas Buelus, of 257 Hillside boulevard, was bitten on Wednesday noon by a dog belonging to Officer Hopman. Nine year old Donald Parrish, of 574 Evergreen avenue, was bitten on the leg by a dog last Thursday. It was a large police dog which bit Bill Young, of 276 Acton street, on the left leg.

Five year old Shirley Ann Ranther of 334 Hillside boulevard is recovering from a bad cut on her right knee.

Nine month old Victoria Lowe, of 9 Shakespeare street, cut his hand with his father's razor last Thursday.

Mrs. Virginia Satori, of 17 Theta avenue, cut her right hand last Saturday and was taken to the hospital for treatment.

William Faber, of 600 Niantic avenue, is recovering from injuries to his right arm received when a ladder collapsed while he was tearing down a small building on the rear of his property.

There were three fires, and no false alarms, during the week. Companies 2 and 4 responded to a grass fire in the back yard of 48 Miriam street on Friday. A fire in the vacant lots on Hanover street between Oliver and Whittier street called out companies 2 and 4 Wednesday noon. Companies 1, 2 and 4 responded to a grass fire in the vicinity of the old wireless station Sunday afternoon. The fire alarm box at Bellevue and Templeton avenues was pulled by Chief Elmer Kennedy.

Frank Cook and Nels Nelson, both of 1068 Noe street, San Francisco, reported to the local police on Friday that their wallets containing \$40 in currency were stolen while they were in the Silver Moon Tavern on School street last Thursday.

J. Smith, a bus driver, has reported that a car knocked down a pedestrian crosswalk sign on San Jose avenue on Wednesday. The car is reported to be one belonging to M. A. Iavermen, of 531 Howard street, San Francisco.

Joan Lowtherm, of 3434 Geary street, San Francisco, was thrown from a horse at 78th avenue and Washington street in Broadmoor Village on Wednesday afternoon and taken to Junipero Serra Hospital.

Arrest Youth For Armed Robberies In San Francisco

The 20 year old youth, who was sentenced to 90 days in the San Mateo County jail last July for a Colma burglary, was arrested by San Francisco police yesterday and charged with 22 armed robberies in that city.

The youth is William O. McNamara who was sentenced for the March 22, 1946 burglary of the J. A. Adams Paint Co., in which 300 blank payroll checks and \$57 in cash were taken.

After the robbery and before he was caught and sentenced, McNamara and his gang flooded the Bay Area, including Colma and Daly City, with more than \$7500 worth of checks, made out on the stolen blanks.

Police said McNamara confessed to more than 20 robberies in which he took more than \$3000. The youth, police said, was the head of a youthful San Francisco holdup and check-passing gang. Some 13 members, including two boys awaiting trial on a murder charge, were members of the gang. All of the gang members were arrested by San Francisco police within the last ten days following a series of raids on apartment houses.

Last July when Superior Judge Edmund Scott sentenced the youth, McNamara was put on two years probation.

But today Chief County Probation Officer John S. Cowgill said he would not seek McNamara's return to San Mateo County for violation of probation.

"The charges against him will take care of him for some time to come," he said.

Colma P.T.A. Hear Discussion On School Bond Issue

The impending bond issue was discussed by members of the Colma P.T.A. at a Father's Night program at the Colma Community Center last Friday evening.

Speakers included V. J. Murphy, of Broadmoor, John Emerson and Fred Bauer, both of Daly City. Murphy made a short speech in which he emphasized the need in our district for more information and understanding about school conditions. Emerson and Bauer followed with short talks and then answered a number of questions submitted to them by Murphy and the audience.

The meeting was called to order by Mrs. Frances Landi, Colma P.T.A. president, who introduced R. L. Crane, school superintendent.

Mrs. Dora Bianchini then sang the Star-Spangled Banner.

Introduced during the evening meeting were Miss Marie Traynor, principal of Jefferson Elementary School; Mrs. Hazel Coldwell, principal of Thornton Primary School; and Mrs. Nell Dorrance, the newly elected school trustee.

Refreshments were served by Mrs. Chessman of the hospitality committee and her assistants from an attractively decorated table after a festive ending to Father's Night.

Old Glory Post V.F.W. Report On Annual Picnic

In a letter addressed to this publication Arnold Panella, picnic chairman of Old Glory Post, V.F.W., expressed his and the Post's thanks to all who cooperated in making the annual picnic such a big success. The letter follows:

We of the Old Glory Post wish to thank the Daly City Record for the excellent co-operation given the Post through your write-ups and for having helped to make our Annual Picnic such a great success.

The attendance of the day was approximately 200 people from Daly City, and the program of the day was capably carried out by Wm. Sweeney jr. and his committee for the enjoyment of all.

The highlight of the day was the seven inning baseball game in which the Old Glory team defeated a team of another picnic group by a score of 20 to 10. Our sluggers were Wm. Sweeney jr., with a batting average of 1000% in four times at bat, with a homerun and three base hits, and Hugh Smith jr., with two homeruns.

The team lineup was: Nick Conti, pitcher; Wm. Sweeney jr., catcher; Willey, 1st base; Russell Johnson, 2nd base; Walt Hanchen, 3rd base; Hugh Smith jr., Bob Byrne, Weedon and Ireton, fielders.

I would like to have you print this "Thank You" in the next issue, and at the same time publicly thank the Guaraldi Bros. of the Central Creamery for their donation of ice cream for the Old Glory

Rod And Gun Club Will Hold Picnic Sunday, June 29

The Daly City Rod and Gun Club will hold its picnic at Martin's Beach on Sunday, June 29. Those wishing to attend are to meet at Hillside boulevard and Mission street at 9 a. m. on the 29th. Jim Fox is arranging transportation and rides will be available for all.

The last club meeting was held on June 11, at which time A. J. Bodien was presented with an honorary membership card by the club.

George Hopman, club treasurer, revealed that the Club has \$200 on hand in the treasury. Some of the funds are to be made available for emblems so that each member will have the emblem to wear during his camping and fishing trip.

After the meeting coffee and doughnuts were served.

County Realtors Seek Action On Tax Reductions

The Central San Mateo County Board of Realtors has again called for action to curtail increasing county taxes.

Warning that increasing spending by local governments may drive out industries and prospective residents, Frank A. Depalla, former board president, says that some of the figures in the county budget are "ridiculous."

He declares "some of the supervisors seem to think more of those who control a few votes than they do of the welfare of the people."

The board last Friday authorized the appointment of a committee of three to study the budget.

American Legion Nominates Officers

The first nomination of officers for Daly City Post No. 410 Inc. American Legion will be held at the meeting on June 26. The second nomination and election will take place at the July 10 meeting.

This is one of the most important functions of the local Legion post and the local commander urges all comrades to attend the two meetings at the post headquarters at 474 San Diego avenue.

Next Friday, June 27, the Daly City Post in conjunction with its Auxiliary, will hold its last whist party of the season. All whist players and especially the worthy patrons of the past seasons are cordially invited to have one last fling at whist before the vacation.

Hancock Test Cars Average

22.7 miles per gallon

To Western Vacation Spots*

Five new cars—all stock models—put New Hancock Gasoline through tough mountain driving tests to Western Vacation Spots. The routes... totaling over 1200 miles... included long, winding mountain grades... steep second-gear climbs. Drivers encountered rain, fog and desert winds. Yet... the over-all gasoline consumption averaged an amazing 22.7 miles per gallon. Another sure proof of the superior power... performance... and economy you get with Hancock Gasoline and Lubricants.

Junior College Takes Over Cadet Training School

San Mateo Junior College is all set to move into the Merchant Marine Cadet training school at Coyote Point soon after June 30. The new college budget, released last week, included \$91,000 to operate the facilities.

The U.S. Maritime Commission approved the transfer last week and the 126 cadets, now training at the school, are being sent back east.

The college is acquiring the property under a revokable lease, which permits the government to take back the property if the college no longer needs it.

The county also hopes to gain clear title if the college campus should become sufficiently built up to eliminate the need for the property.

Closing the school was necessary.

Democrats To Meet In Palo Alto July 27

The County Democratic Central Committee, at its next meeting in July, will discuss the controversial policy statements proposed for state Democrats by James Roosevelt, California chairman.

The county group also will decide at its meeting next month whether to participate in the Eighth Congressional District legislative conference.

Representatives of some 200 civic, veteran and labor organizations are planning to attend the conference, which will be held in Palo Alto on July 27.

Funeral Services Held For Chief Deputy County Clerk

Funeral services were held last Saturday for William M. Galloway, 42, chief deputy county clerk, who collapsed while eating breakfast last Thursday.

A veteran of World War II, Galloway was named to the courthouse post by County Clerk William H.

Augustus in 1944 to replace G. Harold Honore, who resigned.

Before entering the military service in 1942, Galloway was employed by a Redwood City insurance firm.

Interment was at Golden Gate National Cemetery, San Bruno.

Internal Revenue Agents To Check On Dependents

The drive by Internal Revenue agents and deputy collectors to check on persons who claim illegal or non-existent dependents with their employers and on their income tax returns will be intensified it was announced today by Collector of Internal Revenue James G. Smyth of the First California district.

Recently James Webb of Marin City was indicted on a complaint alleging that he claimed too many dependent exemptions on his withholding exemption certificate, the Form W-4. It was stated in the complaint that Webb took credit with his employer for six dependents when he should have claimed only three. The case was brought before Federal Judge Michael J. Roche in San Francisco. Webb is now in jail awaiting arraignment.

Webb faces a fine of not more than \$500, or one year in jail or both on the misdemeanor charge for claiming the wrong number of dependents.

As the result of investigations by Internal Revenue men, Collector Smyth stated that additional indictments against persons who claimed illegal or non-existent dependents on the income tax returns may be filed in the near future.

The collector pointed out that the taxpayers who signs the Employee's Withholding Certificate (the Form W-4) listing illegal or non-existent dependents commits a felony. A felony is also committed in signing an income tax return on which illegal or non-existent de-

pendents are listed. If a refund is sent the taxpayers as the result of filing an income tax return on which illegal or non-existent dependents are named another felony is committed.

Indictments may be filed against taxpayers who have claimed illegal or non-existent dependents on three separate counts, if the above listed provisions have been carried out by the taxpayer.

It is an old established policy of the Treasury department not to prosecute taxpayers who make voluntary disclosures of income tax mistakes or errors before investigation is started by Internal Revenue men, Collector Smyth said.

Taxpayers making voluntary disclosures and filing amended returns, while avoiding criminal prosecution, will be subject to civil penalties.

New Drug Reported Promising At U.C.

The new drug, gramicidin, may be as important to surface medication as penicillin is to internal treatment, it is indicated in new research at the University of California Medical School done in collaboration with the Western Regional Research Laboratory, U. S. Department of Agriculture, at Albany, California.

Dr. Hamilton H. Anderson, professor of pharmacology, reports success in the laboratory with a modified form of gramicidin in the control of bacteria which invade body surfaces. In its original form gramicidin proved too toxic for use, in that it destroyed red blood corpuscles. A further handicap was the difficulty of dissolving it in water.

A modification of gramicidin, soluble in water, weak enough to cause no toxicity and yet strong enough to kill bacteria, was de-

vised by the Western Regional Research Laboratory and tested by University of California investigators, Drs. Sam C. Wong and Y. C. Chin.

To date there is no indication that gramicidin causes sensitization, that is, severe systemic reactions after repeated use.

"School Slow" Signs

There is no reason why the motorist should be confused by the word "slow" in the signs exhorting him to caution in the vicinity of schools and playgrounds, declares the public safety department of the National Automobile Club. It does not mean any specific speed in many instances, but rather that the car should be kept under such control that it can be stopped in the assured distance ahead. There never will be any accidents so long as this rule is followed by the driver.

News Notes For Sportsmen

Setting in motion an initiative petition to halt commercial netting of fish in inland waters will be one of the main items on a full agenda scheduled during the June 22 meeting of the State Council of the Associated Sportsmen of California to be held at Chico.

President Gus Gustafson will report on legislative actions at Sacramento; Frank Shearer, chairman of the Waterfowl committee, will report on the meetings held with the U. S. Fish and Wildlife Service at San Francisco last month; Henry Clineschmidt, chairman of the Lakes and Streams committee, will report on his survey of possibilities of importing Kamloop trout for planting in lakes such as Shasta, Britton, Almanor and other Sierra waters.

The Kamloop trout is almost identical in color and shape to rainbow but are many times larger. They are reported able to, not only hold their own with the rough fish abounding in lake waters, but actually clean them out.

An important pollution bill, Senate Bill 182, introduced by Senator Irwin T. Quinn of Eureka, was due up before the Senate Fish and Game committee this week, the Associated Sportsmen of California reported.

The bill would amend Section 482 of the Fish and Game Code to make it illegal for any debris, substance, or trailing from mining operations to be dumped, directly or indirectly, into the waters of the Trinity and Klamath fish and game districts between July 1 and November 30.

Other bills dealing with fish and game matters now before the Senate and Assembly include AB 1539, which would raise hunting and fishing license fees from \$2 to \$3; SB 39 which would amend a portion of the present code dealing with private Game Management areas; and a bill eliminating commercial clam fishing from California waters.

The sportsmen's organization is in complete opposition to the game management bill which has no provision for limiting the season and bag limit to the same enjoyed by the entire hunting public. A bill, AB 702, sponsored by the Association, which would restrict these special areas to the seasons and bag limits set for the rest of Cali-

fornia by the Fish and Game Commission has been sent to the legislative interim committee for further study.

Deadline for submitting fire prevention slogans to State Forester DeWitt Nelson, chairman of the special forest prevention committee appointed by Governor Earl Warren, is June 15, the Associated Sportsmen of California warned again today.

School students from the seventh to the 14th grades are eligible to compete in this contest which will award the winner an all-expenses paid trip of five days to Yosemite Valley this summer where he or she will be the guest of the Curry Co.

Slogans must not exceed five words of which one should be "California."

Runners-up prizes consisting of camping equipment are also being awarded by various interested agencies.

Slogans should be mailed to DeWitt Nelson, State building, Sacramento, California.

Present plans of the U. S. Forest Service call for the closure to the public of certain portions of Los Padres National Forest during the critical fire-hazard months, according to the Associated Sportsmen of California.

STATE FAIR BEAR HAPPY AGAIN

The California State Fair resumes in Sacramento August 28 through September 7 and that's why the dancing bear, symbol of the 1947 fair, is in a gay mood. Marilyn Langdon's paint brush puts the finishing touch on the Bruin who'll be used to advertise the 88th exposition from one end of the state to the other.

WHERE TO GO --- WHAT TO SEE --- WHAT TO DO ---

Eager rodeo fans all over the State will want to trek to Salinas this week end of June 19-22, for the return of the California Rodeo after a protracted wartime absence. The Travel and Recreation Department of the California State Chamber of Commerce reports that this 31st edition of the biggest rodeo in the State promises not only to maintain its high standard of Western sportsmanship but to top all its earlier showings.

Other events seem to have bowed to Salinas this week with the list considerably smaller than on any previous week end this season.

Modesto Rangers & Polo Club Horse Show, Modesto, June 21

California Rodeo, Salinas, June 19 through 22

Tulare Dairy Fiesta, Tulare, June 19-21

Summer Garden Tours begin June 20 — through September 12, Santa Barbara

Yacht Race, Newport Harbor, June 21

Exhibition Tennis, La Jolla, June 21

Father O'Donohue's Mission Rancho Horse Show, Lemon Grove, June 22

SALINAS: California Rodeo, June 19 through 22. Pardon, they say you ain't seen nothin' till you've seen this Western thriller. Four days of rip-snortin' performances (38 each day), with top-ranking riders and ropers, the ornriest bulls and bucking horses, huge horse parades. You'll see Brahma bull riding, bronc and bareback riding, steer wrestling, quarterhorse races, relay and Pony Express races, wild horse races, wild cow milking, calf roping. With lots of action, no delays, and the world's champion cowboys and trick riders competing for the world's largest purses, events will get under way each day with a mammoth horse parade at 1 p. m. Over 1100 mounted riders with elaborate silver mounted outfits will parade their beautiful horses preceding the 2 p. m. daily start of the rodeo. Saturday night, June 21, at 8 p. m. the Colmo del Rodeo Parade will precede the "Mardi Gras of the Rodeo." Reserved seats available at Salinas Chamber of Commerce.

TULARE: Tulare Dairy Fiesta. June 19 through 21. Saluting Tulare's dairy industry this three-day community-wide fiesta will open Thursday, June 19, with Tulare County 4-H Achievement Day, and a Fiesta Queen Coronation Ball that night featuring Red Nichols' orchestra. Friday, June 20, there'll be a dairy stock exhibition at the Tulare-Kings County Fairgrounds — and a San Joaquin league softball game. Saturday's mammoth dairy parade at 12 noon will be followed by horse racing, and another showing of the dairy stock exhibition. Windup event — a big Western dance Saturday night.

LEMON GROVE: Father O'Donohue's Mission Rancho Horse Show. Sponsored by the Church of St. John of the Cross this is one of the outstanding horse shows of the West. Showing of fine Palomino horses, rodeo events, jumpers and show horse events. First place awards will be 100 silver dollars in each event.

Pacific Tel. & Tel. Co. Sets Aug. 10 As Date For Addition Of Dial Numerals

Lyle M. Brown, San Francisco division manager for The Pacific Telephone and Telegraph Company, announced today that August 10 has been set as the date when a numeral will be added to all San Francisco and East Bay central office names not already on that basis.

He said that the change in numbers will pave the way for new central offices to be installed during the next few years and permit extension of direct dialing to nearby points. Also, the new arrangement conforms to the nationwide telephone numbering plan which will make possible the direct dialing of long distance calls by operators.

Brown said that as inter-city dialing to and from nearby points is extended care must be taken not to duplicate numbers or central office names as it is essential that each telephone have its own identity.

"The addition of a numeral to the central office name," said Brown, "will make available ten times as many usable combinations of central office names on the dial as now. Growth of this region has nearly exhausted the present usable combinations. In San Francisco and East Bay, for example, there are now 56 central offices serving

more than 400,000 telephone numbers. The limit under the present plan is about 60 central offices and 600,000 telephone numbers. By the addition of a numeral to the central office names on August 10 the limit will be raised to some 600 central offices and six million available telephone numbers.

"The introduction of the system in which a numeral is included in central office names expands the numbering plan only and will not of itself provide additional facilities. New central offices will be added gradually as buildings are constructed and telephone equipment manufactured and installed."

Brown said that new telephone directories would be distributed in time to be available August 10 and would contain the more than 325,000 new numbers involved in the change.

As an example of the increased numbering possibilities under the new plan, Brown pointed out that at present there can be only one "Garfield" central office, while the new plan provides for ultimate use of ten central offices such as Garfield 1, Garfield 2, Garfield 3, etc. After August 10, it will be necessary to include the given numeral for all calls in San Francisco and East Bay.

Stolen Cars

Owing to the increase in motor vehicles stolen from private garages, the National Automobile Club feels it necessary to advise private property owners who rent their garage space to private individuals, that it is necessary under Section 441 of the California Vehicle Code to make reports to the police department within 24 hours of the code, that within 24 hours after the vehicle is stored in the garage, that the name of the tenant and description of the automobile, including the name or make, the motor or other number, and license number, be immediately sent to the police department. Failure to comply with this section constitutes a misdemeanor.

It is earnestly urged that all property owners renting garage space immediately give the necessary notice to the police department.

Gen. Clark To Be Welcomed By Governor Warren

General Mark Clark will be officially welcomed to California and the West by Governor Earl Warren when he addresses an audience of 5,000 at the San Francisco National Guard Armory next Monday night (June 23).

The Governor's participation in the official welcome for the war hero-diplomat was confirmed by the State Adjutant General.

The official welcome will climax San Francisco's "General Mark Clark Day" which was proclaimed by the Mayor on Monday in accordance with a resolution of the Board of Supervisors.

The City of San Francisco has joined with the National Guard's 52nd Infantry Division, 112th AAA Brigade and Oakland's 61st Fighter Wing headquarters in inviting the general public to attend the evening meeting. "The doors will be open to everyone," Maj. Gen. R. E. Mittelstaedt, 52nd Division commander, promised. "We look forward to having a tremendous public turnout for this important event."

General Clark takes command of the Sixth Army, with headquarters in the Presidio of San Francisco, this week. While he remains in spirited demand for speaking engagements in the United States, Clark has reserved his Monday night meeting for his first Western address and his second speech since his return from the Moscow Conference, Austrian Occupation Command and victorious war commands.

Clark is expected to continue with his discussions of international relations that aroused world-wide comment on his arrival in New York.

The National Guard has provided 5,000 special seats in the 14th and Mission Streets Armory to take care of the crowd. Special street car service is expected to relieve the congestion before and after the meeting which is scheduled for 8:15 p. m.

Speaking at the meeting, in addition to General Clark, will be Governor Warren, Acting Mayor Jesse Coleman and General Mittelstaedt, with special music provided by the Sixth Army band.

War Gas Experiments At U.C. Reported

Wartime experiments on the distribution of lewisite and mustard gas in human and animal tissue, using artificial radioactive elements as tracers, have been reported at the University of California.

The research was done by Dorothy Axelrod, research assistant, and Dr. Joseph G. Hamilton, associate professor of medical physics, under a contract with the Office of Scientific Research and Development.

The researchers "tagged" mustard gas with radioactive sulfur and lewisite with radioactive arsenic. These "tagged" gases were then painted on a small area of the skin in sufficient quantities to cause blistering. Then biopsies of the damaged skin were taken.

Thin slices of skin specimens were then placed on photographic plate, the radioactivity causing blackening of the film in areas of the tissue where the "tagged" gases had lodged. This radioautograph gave a picture of the distribution of the gases in tissue.

Dr. Hamilton and Miss Axelrod found lewisite lodged primarily in the outer layer of the skin, with only small amounts fixed in the deeper layer of skin. Lewisite was also found in the hair follicles. The gas damaged or killed the cells wherever it lodged.

Mustard gas was found to penetrate more deeply, lodging primarily in the under layer of skin. In

The California State Automobile Association is preparing special maps of the area to aid motorists in solving the parking problem, and special San Francisco Police details will be provided by Chief Dullea to speed the traffic.

Large Trout Taken

Fishermen last week took black spotted trout weighing up to 11 pounds from the West Walker and Little Walker Rivers, Mono county, according to the National Automobile Club. Many good catches of large trout were made with minnows on the East Walker River below Bridgeport Dam in this area.

every case the mustard gas penetrated deeper than lewisite, possibly explaining the great destruction and deep burns caused by the poison.

NAVAL DISTRICT SUMMER CRUISE ON U.S.S. IOWA

Nine hundred students of the Naval Reserve Officers Training Corps representing 17 colleges and universities west of the Mississippi, including Stanford and the University of California, will be represented in a ten weeks' summer cruise in the Pacific, the Twelfth Naval District announced today.

The officer candidates will depart from San Francisco on June 26 aboard the battleship USS Iowa, with Captain C. E. Crombe, U. S. Navy, professor of naval science at Stanford University, in charge of the cadets.

Vancouver, B.C., will be the first port of call, with the cruise schedule calling for arrival there on July 3. Although regular shipboard watches and a variety of training exercises will be conducted in port, ample time will be provided for the students to visit the port areas.

After leaving Vancouver, the Iowa will return to San Francisco on July 18 to discharge 300 of the cadets and then leave the following day on the second leg of the cruise with Pearl Harbor, T. H., as its destination. Here the crew will conduct fire gunnery exercises and training maneuvers followed by four days of liberty in Hilo, Hawaii. The cadets then will depart for San Francisco where they are due to disembark on August 25.

The young trainees are taking a general college course under provisions of Public Law 729, also known as the Holloway Plan, which provides for the completion of sufficient naval science courses during a normal college career to enable them to qualify as commissioned officers in the Navy. The summer cruise will provide the students with an opportunity for practical application of what they have learned throughout the year in naval science courses, and will give them a basis for the training they will receive in subsequent courses.

Fishing Good On The Tule River

Anglers have been enjoying excellent sport lately on the Tule River, Tulare county, declares the National Automobile Club. Best fishing is being had from the old CCC Camp up to Camp Nelson, where fish running from 7 to 10 inches have been taken.

Annual Ball For Irish Society Saturday Evening

The annual ball of the Knights of the Red Branch will be held at the K.R.B. hall, 1133 Mission street this Saturday evening.

The ball is held on the birthday anniversary of the 18th century Irish patriot Wolfe Tone, who was one of the founders of the Irish Republican movement. American and Irish dance numbers will be featured, including jigs, reels, barn dances and old country style polka sets.

Test Cooling System

Whether the cooling system of your car is in need of an internal bath is easily determined, declares the National Automobile Club. If the water shows discoloration when the drain plug is opened, it means the system is not functioning as efficiently as it may be. The water radiates heat much more quickly when it carries no scaly impurities. Incidentally, the scale forms an insulation around the cylinders that tends to hold the heat in them.

Non-flammable Fabric

A plastic-coated upholstery fabric that will char on contact with a flame but will not support combustion is expected to find wide usage in boats, office furniture and restaurant seats.

Women Of Moose Will Install New Officers
